- ITEM 2: Review RFC comments and sponsor responses for Project Proposals 198605000 and 35043 submitted for consideration in the Mainstem and Systemwide Province**

During the Monday, September 9, 2002, RFC Meeting, the RFC assigned Project 198605000 (excluding Objective 1 (Task 1b) to the “Urgent” category. Due to time constraints, the project sponsors were unable to address concerns that the RFC expressed relative to Objective 1 (Task 1b). The RFC requested that the sponsors of Project 198605000 draft responses (attached) for review by the RFC. In addition, the RFC will review Proposal 35043 (attached) and subsequently assign the proposal to a funding category.
