### Draft Agenda

**ITEM 1: Introductions**

**ITEM 2: Final Comments on Paper**

It is time to wrap this paper up. Dave Ward will lead a discussion on the most recent comments and revisions, and solicit any further input. The paper should be ready for final review by the LTWG before the October meeting.

**ITEM 3: Next Steps**

The subgroup should discuss (again) the possible options for paper publication. The subgroup should also discuss possible companion papers regarding lamprey management (propagation, etc.) to prepare for the LTWG meeting in October.
