Draft Agenda

ITEM 1: Introductions

ITEM 2: Progress on Translocation Review Paper Task

A revised draft of the translocation review paper was discussed on September 22, 2009, and a number of assignments were made for the next draft. These assignments were to be completed by October 9, 2009, so they could be incorporated into the paper, and so that a revised draft could be distributed by October 16, 2009.

The revised draft, which was distributed on October 16, will be discussed during the teleconference. Members of the subgroup should review the draft prior to the teleconference, and be prepared to discuss additional revisions, additions, improvements, etc.

ITEM 3: Next Teleconference

This will be the final teleconference prior to the Lamprey Workshop scheduled for November 18, 2009. The subgroup will meet in person immediately after the workshop.
