ITEM 1: Resolve Outstanding Issues in the Columbia Plateau

ACTION: MMG agreed

- that all the projects were all high priority projects;
- to leave the ranking blank in the matrix;
- to combine Kalispell Tribes' project comments on individual projects into a descriptive footnote;
- to state our position on crediting in the letter and agree that the crediting issue is more than just an upriver and downriver issue.

The package can then go forward to NWPPC.
