

Measures

- All Actions submitted for hatchery and habitat actions are intended to be in the program for all Geo. AREAs
- The Council will rely on the A&T's (Recommendors) to prioritize these actions into LTWP's

LTWP.

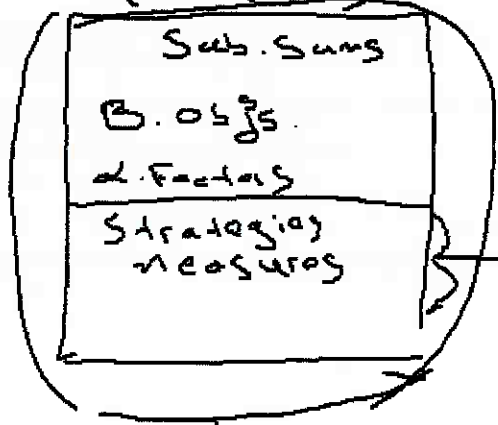

- Relative to funding level - Not explicit in Prog
- LTWP in prog? As part of sub-basin plan update

Potential Agreement:

- Measures explicit in program (APP X_i)
- M4IP's (LTWP) in program as part of Sub-basin plan process
- GAPS IDed & solicitation done
- Recommend Date Certain and process to develop.
- Prioritization in this process is temporal
