**ITEM 2: Review the ISAB's "Non-Native Species Impacts on Native Salmonids in the Columbia River Basin" Report**

During the last year, the RFAC has participated in discussions with the ISAB and has provided recommendations relative to their Draft *Non-Native Species Impacts on Native Salmonids in the Columbia River Basin* report. The NPCC recently released the final version of the ISAB's non-native report (<http://www.nwcouncil.org/library/isab/isab2008-4.htm>). Sheri Sears and Neil Ward will lead the RFAC in a review of the document. In addition, the RFAC will have an opportunity to observe the ISAB's presentation of the report to the NPCC (NPCC's August meeting is in Spokane at the Davenport Hotel). The RFAC will discuss the merits of developing a written response as well as the CBFWA providing an oral presentation during the September NPCC meeting.

**ITEM 3: Election of a New Vice-Chair**

On October 1, Sheri Sears will become the Chair of the RFAC thus, leaving the Vice-Chair vacant. As a result, the RFAC will seek candidates and subsequently elect a new Vice-Chair.
