Directions to Trout Creek:

From the intersection of US 95 and state hwy 200. Head east on 200 toward Clark Fork. At approximately 9 miles you will see the Hidden Lakes Golf Course on your left and soon after cross over the Pack River. Take the first left after crossing over the river. This is Trout Creek Road a small gravel road that is not well signed. Stay on Trout Creek Road approximately 1 mile until you see the sign and parking area for the Trout Creek Segment of the Pend Oreille WMA.
