

# APPENDIX B

## Dams

APPENDIX : Dams in the Okanogan Basin as Identified by WDFW														OwnerType	Barrier	RepairStatus	
SiteID	ldby	Stream	TribTo	WRIA	RM	Qsec	Section	Township	Range	FishUse	FUCriteria	Species	Location	SiteComments			
99382	WDFW	Summit Cr	Loup Loup Cr	49.0054	0.02	NW	12 33N	24E		yes	biological	RT		Possible Brook trout, seen DS of falls in Loup Loup Cr.	private	yes	NG
99398	WDFW	Unnamed	Okanogan R	49	0.17	NW	26 39N	27E		unknown	other			Recheck at high flow for fish use call / photo / ETD. 200 m sig. reach not verified for site, due to close proximity to / high visibility from house (<20 m away), and lack of landowner permission (they were not home).	private	yes	UD
99401	WDFW	Trail Cr	Omak Cr	49.0179	0	NE	34 33N	29E		yes	biological	SH/RT/EB		Trout observed just upstream.	tribal	no	OK
99401	WDFW	Unnamed	Omak Cr	49.0173	0.22	NE	28 33N	29E		yes	physical	RT/EB			tribal	no	OK
99405	WDFW	Bonaparte Cr	Okanogan R	49.0246		SE	22 37N	27E		yes	biological	RT/EB		Recreational dam near a house. Barrier waterfall, >12', located 1374 m DS; no anadromous access.	private	yes	RR
99405	WDFW	Unnamed	Summit Cr	49	0.21	NE	11 33N	24E		yes	biological	RT			private	yes	RR
99405	WDFW	Tallant Cr	Okanogan R	49.0065		NW	16 33N	25E		yes	mapped			Tallant Cr is part of a large diversion system that takes water from Summit, Loup Loup, Little Loup and other creeks, holds it in Leader Lake then releases water into Tallant Cr to irrigate orchards downstream.	private	no	OK
99405	WDFW	Tallant Cr	Okanogan R	49.0065		NW	27 33N	25E		yes	mapped			Tallant Cr is part of a large diversion system that takes water from Summit, Loup Loup, Little Loup and other creeks, holds it in Leader Lake then releases water into Tallant Cr to irrigate orchards downstream.	private	unknown	RR
99406	WDFW	Tallant Cr	Okanogan R	49.0065		NW	27 33N	25E		yes	mapped			Tallant Cr is part of a large diversion system that takes water from Summit, Loup Loup, Little Loup and other creeks, holds it in Leader Lake then releases water into Tallant Cr to irrigate orchards downstream.	private	yes	RR
99406	WDFW	Tallant Cr	Okanogan R	49.0065		SE	21 33N	25E		yes	mapped			Tallant Cr is part of a large diversion system that takes water from Summit, Loup Loup, Little Loup and other creeks, holds it in Leader Lake then releases water into Tallant Cr to irrigate orchards downstream.	private	no	OK
